

2019 Senior Farmers' Market Nutrition Program

The annual Senior Farmers' Market Nutrition Program (SFMNP) is available to eligible consumers across the county. Any eligible individual may receive one set of checks to be spent at participating farmers' markets. One set of checks is worth \$20.00 (issued as four checks worth \$5.00 each). SFMP documents are available in Russian, Cantonese, Mandarin, Nepali, Spanish and Braille at Senior Community Centers.

The checks may be used through November 30th to purchase produce that is **grown in Pennsylvania or purchased directly from a Pennsylvania farmer**. Examples of Pennsylvania produce are apples, beans, berries, carrots, grapes, melons, spinach and tomatoes. Consumers must spend the entire \$5.00 check; change will not be given. Lost or stolen checks will not be replaced.

Eligible individuals not able to get to a distribution site can have a proxy pick up their checks. All individuals must correctly complete a proxy form (**front and back**) to have a proxy receive checks for them.
